The staff, students, and Board of Directors of the Huntingdon Community Learning Centre would like to express our heartfelt thanks to all those who came to our aid after the devastating fire at the MYM store on January 28. The Learning Centre was located in this building. A very special "thank you" to Randall Finnegan for his generosity in our time of need. Praise also to the many firemen who worked so diligently at that time. Fortunately, the Centre has found a new location at 24 Lake Street, and we are back in operation. A benefit dance is being planned for late March - more details will follow.

The family of the late Pearl Middlemiss (née Frier) wish to thank relatives, friends and neighbours for their kindness, expressions of sympathy and charitable donations made in her memory. Also thanks to those who sent flowers. Thanks to the Farquhar Nursing Home for the excellent care she received during her stay there, also to those who helped with the lunch. Please accept this ad as our personal thank you.
