IN MEMORIAM

KNOX (Lewis), Marjorie - In loving memory of a wife, our Mom, a Grandma and a loving friend to all who knew her. Passed away, June 29, 1990.

*What we wouldn't give
To see you Mom
Walk through our door.
To sit at our table
As we'd done so many times before.
Brings tears to our eyes
As they stream down our face
Takes us back to the memories
That time will never erase.
We couldn't imagine
Our life without you, Mom
Time hasn't healed this pain in our hearts
Ever since you have been gone.
It wasn't God, who had taken you away,
The truth will be known
And justice will prevail one day.
Our Lord seen the pain and suffering
That you endured day to day
And sent his Heavenly Angels
Whom embraced you
As we gathered around you and prayed.
We give thanks
In knowing you are at peace
And within the Lord's gracious care
We know one day you'll be waiting
For us, at "The Lord's Heavenly Stairs".
May you rest peacefully on the wings of Angels.
With eternal love, from
Husband - Hartley Sr., Sons - Bobby, Cliff, Gerald,
Hartley Jr., and Jimmy, Daughters - Bev, Connie
and MaryAnn*

Sympathy

Both the Nitro and Valleyfield communities were greatly saddened by the sudden death of Emily Leduc (née Campeau) on May 29, 1999, in the Valleyfield Hospital, at the age of 89.

The funeral Mass was held in St-Timothée Catholic Church on June 2. Many friends from this area attended, alongside her many family members. Following the service, she was laid to rest beside her beloved husband, Armand, in the St-Timothée cemetery.

Emily was born in August 1901, in Tecumseh (near Windsor), and graduated with her BSc. in 1929.

Shortly after her graduation, she met and fell in love with Armand Leduc, a motor mechanic from St-Timothée.

The couple were married on July 1, 1929, and made their home in Valleyfield where Emily assisted her new husband with his business by taking care of the office chores.

They were blessed with nine children. In 1942, the family moved back to Nitro; Emily was still living in the family home at the time of her death.

Armand passed away in January, 1979.

Emily loved played cards and traveling. She was a familiar member of the Nitro Golden Age Club, with whom she went on many enjoyable excursions. She was also a member of the Valleyfield Friendship Club until its closing two years ago.

She will be sadly missed by many friends in this area.

Deepest sympathy is extended to her beloved family: Genevieve, (Maurice Legault); Dorothy, (Jules Belanger); Denise, (Marcel Piché); Monique; Philippe; Lorraine; Lise, (Michel Derochers); Diane, (Cecil Keays); and Christine (Claude Ensburry). Also her 19 grandchildren and numerous great-grandchildren.

She was a great lady and will be missed by so many!

Obituary

Percy Sutton, 70, of Havelock loved music, work and family

Percy Moore Sutton of Havelock died March 19, 1999 at the age of 70.

He will be remembered as a man who got things done; he tackled whatever job was at hand and took pride in doing it well.

His life was not an easy one — a tough childhood left him with strong opinions and a manner which was sometimes a little rough around the edges. But he balanced that with a great love of music, a trait which he handed on to his children. He enjoyed playing and listening, and loved to travel too. Trips in the camper took the Suttons to Nashville and Branson, as well as to the Yukon and Alaska and all over the continent. But he never went abroad; he was always a little scared of water.

Though not a church-goer, he lent a hand when asked, such as the time a bird's nest had to be removed from the church chimney.

A varied career saw Percy draw gravel (loading much of it by hand), own and drive school busses, plow roads, and cut and haul pulpwood. He built the family house and garage himself and welded and repaired whatever was broken, for himself and for others, making what he couldn't afford to buy.

He was also proud of his inventions, some of which are still going today, and he built up his trucking company through hard times and hard work, with wife Isabel helping all the way.

Percy loved to hear stories about real happenings, past and recent. And he loved to tell stories, share a laugh and a beer if he had one.

He loved his coffee, cigarettes, square dancing, friends and neighbors, and certainly his dog Brandy.

And he dearly loved his family and his grand-children, who could always bring a smile to his face.

The many friends, neighbors and relatives who came to the funeral home will remember Percy as a mixture of many things. "He was who he was, and we will all miss him," said one.
