CARD OF THANKS

We are so grateful to many people who helped at the time of Dean's accident on August 3rd. First of all, our heartfelt thanks to Jim Templeton who has been accredited with saving Dean's life by quickly getting him to the hospital. Also special thanks to Dr. Aiken and Dr. Vantor and nurses who gave excellent care at the Barrie Memorial Hospital. Also to Dr. Vantor and Beverly VanHorne who accompanied Dean in the ambulance. Words seem insufficient to express our thanks to the dedicated doctors and nurses of 10-D intensive care and all the staff of 7C-2 at the Montreal Children's Hospital. The kindness and thoughtfulness of our friends, neighbors and relatives has meant so much. We appreciate the many prayers for Dean's recovery and also the calls, visits, cards and letters, which we have received. Dean is progressing well at the Montreal Children's Hospital and to each one who has helped in any way, please consider this note as a personal "thank you."

Don and Barbara McKell, brothers and sisters

My sincere appreciation to my many neighbors and friends for their expressions of sympathy and assistance received at the time of my wife Jeanne's death. Your thoughts and kindness have been of great help in a difficult time.

IN MEMORIAM

MINER, Hector - In loving memory of my husband, who passed away, August 31, 1984.

I remember the day, I met you,
The day God made you mine,
I remember the day God took you,
And I will 'till the end of time
It's sad to walk the road alone,
Instead of side by side,
But to all there comes a moment
When the path of life divides,
You gave me years of happiness,
Then sorrow came and tears
But you left me beautiful memories
I will cherish through the years
In the midst of all the sorrow
One thing makes me glad,
That you chose me to share with you
Those precious years we had.
Your loving wife, Vera
