THANK YOU

The family of the late Reuben Alexander Donnelly, sincerely thank all their relatives, friends and former neighbors in Elgin, Godmanchester and Huntingdon for all the expressions of sympathy, cards, telephone calls and many mass offerings we received in his honor. As was his way, his last wishes were that he be remembered as the active person he was and therefore the funeral arrangements were private. However the response to the family's request for donations to the heart and stroke foundation was overwhelming and for this we are deeply grateful. "Buster" as he preferred to be called, was one of the pioneers in open-heart by-pass surgery, many years ago, which enabled him to continue to live a full and busy life and gave him time to see his children all married and raising families of their own. Again many thanks; your kindness helped to make our loss a little easier.

Roger Billette mourned by Howick community

The death of Roger Billette, well-known businessman from Howick, on January 13, 1987, was followed by a ground swell of condolences and expressions of sympathy, the likes of which are not often seen in the area.

Mr. Billette was only 44 years old when he died after many months of a courageous fight against cancer.

Born in Howick, Mr. Billette was from a large family, very well-known in

the district. He lived on the Third Concession where he owned a business selling farm machinery.

He leaves to mourn his wife, Lise, his children Manon, Stéphane, Chantal, as well as many relatives and friends.

The funeral service was in Howick where the church could hardly take in all those who had come to pay their final tribute to a well-liked man.
