## IN MEMORIAM

**ELLERTON**, Lillian - In loving memory of a dear wife and sister who passed away April 26, 1986.

Time may heal the broken-hearted,  
Time may make the wound less sore,  
But time will never stop the longing,  
For the loved one gone before.  
No one knows the silent heartaches,  
Only those who have loved can tell.  
The grief we bear in silence,  
For the one we loved so well.  
God looked around His garden  
And saw an empty place,  
He looked down upon this earth  
And saw your tired face,  
He put His arms around you,  
And lifted you to rest  
God's garden must be beautiful  
For He only takes the best.  
Lovingly remembered and sadly missed, always in thoughts your loving husband Bruce and sister Evelyn.

## The late J. Archie Roy

On March 25, 1988, citizens of the Howick area bade farewell to one of its lifelong members in the person of John Archie Roy who died in the Montreal General Hospital from heart ailments.

Archie Roy was born on May 18, 1916 at Balquhider Farm, the home of his parents and grandparents. The farm was in the Roy name for three generations: 1861 - 1982. Here he promoted, and excelled in, the art of farming; and in particular, the development of outstanding Ayrshire cattle. One of his most rewarding achievements was the export of a calf, Balquhider Maple Sugar, to Jim Lawrie in Scotland.

Archie's interest in cattle started at an early age; for he, along with several of his friends, belonged to the Howick Ayrshire Calf Club formed in 1932. Archie was its first President and always a supporter of the Club which later became the Howick 4H Club. Many youngsters appreciated and benefited from his guidance during his years as leader and director.

Further afield, he was an enthusiastic member and Secretary of the Howick-Huntingdon Ayrshire Club; Director and President (1968) of the Ayrshire Breeders' Association of Canada; and judged many cattle shows locally and across Canada including Calgary and the CNE.

Acting as assistant to his

tather, who for many years served as Secretary of the Riverfield Cemetery. Archie continued in this role until very recently. His phenomenal memory for detail in cemetery records and devotion to this community service are well remembered and respected.

Curling was a favoured sport and pastime, whether as a player or plate glass skip. Archie took his turn as President of the Howick Club, and was Honourary President at the time of his death. As a young boy he was interested in golf, but summer on the farm did not allow much time for this daytime sport. On retirement, with weather and health permitting, he was a keen golfer, thus fulfilling one of his early dreams.

Archie Roy enjoyed a wide circle of friends, and they in turn enjoyed him. He will long be remembered for his sense of humor and an unsurpassed talent for storytelling, which spilled over into playacting when the Howick Y.P.U. staged their annual productions. His yarn spinning was a treat to friends and associates of all ages. With wide and deep interests in farming, his church, local history and curling, John Archie Roy accomplished much for his community.

He is survived by his wife Helen Muir Roy, and daughters Beth of Toronto, and Heather of Howick, and his sister "Nish".
