Mr. and Mrs. Aristide Beauchesne are very grateful to all who offered their help to Aristide at the time of his accident on November 21. Without the help of his good neighbors he would have suffered severe consequences. Also thank you very much to all who supplied transportation to the Barrie Memorial Hospital and to Valleyfield during that period. The numerous offers of help are very appreciated. We also take this opportunity to wish Happy Holidays to all our friends, neighbors and all our family.

My everlasting gratitude to Dr. Lefebvre, Dr. Héту and the staff of the Emergency room of the Barrie Memorial Hospital for their kind attention. Special thanks to Dr. Blonde for his accurate appraisal of a potential crisis situation and who accompanied me to the C.C.U. of the Montreal General Hospital with the external pacemaker from the B.M.H. My thanks to the many well wishers, with cards, telephone calls, visits and offers of transporting my wife to and from Montreal. Special thanks to old faithful Jake Higgins for transporting my wife to and fro so many times. Words can't express my true feelings of appreciation for all the kindnesses shown to me.

Sincerely
Dr. K.G. Cameron
