Too far away for sight or speech
But not too far for thought to reach

Sweet to remember her, who once was here
And who, through absent, is just as dear."

Remember you always

CARD OF THANKS

Thank you much for the lovely pot luck supper, the cards and beautiful gifts. We feel in today's society it very hard to find an area to live where the people genuinely care about one another and aren't afraid to get involved. We have had the privilege of living in Rockburn for 12 years and have grown to love and appreciate the people we have met and the environment that surrounds us. Everyone will be greatly missed. In moving we can only hope to find another area half as gracious to live.

"Just Married" automobile involved in fatal crash

A Hemmingford wedding reception had just gotten underway at the Recreation Center last Saturday, August 26, when news arrived that the bridegroom's car had been in a fatal head-on collision on Route 202 beside Parc Safari.

The late - 1970's model Oldsmobile of Michael Dann, 29, was taken by two young guests at the reception which was seen by witnesses speeding out of the village, eastward around 6:30 p.m.

Victims of the crash were Prescott, Ontario residents

Evelyn Gilson, 59, and her daughter Brenda Lee 27, who were both killed instantly. One of the victims was thrown through the windshield while the other was squeezed inside the car. The Oldsmobile went over the victims car, according to the Lacolle Detachment of the Quebec Police Force.

Also in the victims' car were the daughters of Brenda Lee Gilson, Cathy 4, and Erin 9, who were rushed to Barrie Memorial Hospital.

The family had been spending the day at the zoo.

The other injured victims in the crash were taken to the Haut-Richelieu Hospital in St. Jean. Firemen were also on the scene.

Members of the wedding party, dressed in formal attire, were at the scene along Route 202. The automobile, decorated with "Just Married" lettering and hearts, lay in rubble. The bride is from Moores, New-York.

The QPF says a coroner's inquest could be requested to determine the actual cause of the accident and there is the possibility that criminal charges may be laid.
