CARD OF THANKS

I would like to express my sincere appreciation to my wonderful neighbours for all their T.L.C. after my accident Christmas day. Without their help and assistance, so graciously extended, I would have had to have been hospitalized, so I am especially grateful to all these kind people. A very special thank you to my daughter Lynne, son-in-law Ron and grandson Jason, stationed in Germany for their numerous telephone calls, letters, cards, gifts and flowers which brightened up so many of my days. I would also like to express my gratitude to my relatives, neighbours and good friends who remembered me with telephone calls, cards, food, flowers and candy, also to the ladies from the C.L.S.C. of Huntingdon, for all their help. A special thank you to Dr. Gibson Montreuil General Hospital and Mrs. Knowles-Laplanche, for their extreme kindness, which I greatly appreciated, also to Myrtle Park and Father Carl Triskle. I am most grateful to everyone who helped me in anyway. Many, many thanks.
