Peter Warren, Hemmingford's keen recycler, celebrates 80th birthday

by Florence Ellerton
Hemmingford Correspondent

The oldest volunteer of the Hemmingford Recycling committee, Mr. Peter Warren, just celebrated his 80th birthday.

On the first Saturday of the month you can meet Peter at the Hemmingford Recycling Depot, along with the other volunteers, emptying pick-up trucks of recyclables and helping to

sort glass and newspapers.

Mr. Warren has been an environmentalist all along as can be witnessed by his energy-conscious and environmentally aware lifestyle. The environment should hold an important place in all of our lives and we should be ready to make it a priority. Peter Warren's concern for a better environment is an example to us all.

~~We would like to express~~
our appreciation to all the wonderful people who have either visited or sent flowers and cards to our mother, Kitty Stone, who has spent the last month in the Barrie Memorial Hospital in Ormstown. To the doctors and nurses at that hospital, we say a special thank you, particularly to the nurses who arranged a long distance call at a busy supper hour. We are very happy that our parents decided to settle in St-Anicet, and have so many wonderful friends to help them when things get a little difficult. Thank you all for caring.

Sincerely
