I was overwhelmed to receive such beautiful cards for my 90th birthday from so many of my good friends in the Chateaugay Valley. It was especially rewarding to receive a "giant" card from the Senior Curling Group of the Ormstown Club, as I helped to start Wednesday afternoon Senior Curling. Now so many are in the Group, that it has developed into an all day affair, with luncheon. The card has seventy-five names on it. As with most successful ventures, Senior Curling in Ormstown started small but it has certainly grown, and it is a weekly event that Senior Curlers do not like to miss. I would like to give credit to the wives, without them and the part they play in the days proceedings, it would not enjoy the success it does. My friends you have made my 90th birthday a very memorable one, by your cards and your good wishes, oen that my family and I will not readily forget. Thank-you.
