**ELLIOTT, Terrance (Terry)** - In loving memory of a dear son, brother and uncle, who suddenly passed away April 24th, 1990.

You end came sad and sudden no time to say goodbye, You were gone before we realized only god knows why.

The things we felt so deeply are the hardest things to say.

But we your family loved you in a very special way. They say that memories are golden well that may be true.

But we never wanted memories we only wanted you.

If tears could build a stairway and heartaches make a lane,

We would walk a path to heaven and bring you home again.

## A tribute to Donald Ferns

Death came quietly to John Donald Ferns on Saturday, April 13, in the Barrie Memorial Hospital in Ormstown, where he had lain in a coma for three long and anxious weeks.

Donald was a true gentleman genuinely interested in people, and comfortable in any age group. He enjoyed socializing, and it was fun to be in his company. He had a good sense of humour, and was always ready with a witty remark to any comment which might be tossed his way.

Donald and Roberta cherished the life they had shared and the dreams they had already realized. They complimented each other, and their forty-eight years

of marriage was a model of what happiness can be found in a life lived for each other, and at the same time, shared with family and friends.

At the funeral home on Tuesday afternoon, April 16, Rev. Neil Wallace spoke warmly of Donald as a friend with whom he had become acquainted when he lived in the Manse on Clyde Avenue. Each time that he might pass the Fern's home he would stop and visit with Donald, who might be sweeping leaves, digging in his garden or working among his flowers. Rev. Lennox added to Neil's remarks, and spoke of Donald's particular contribution to the life of his church, St. Andrew's Presbyterian in Huntingdon.

Donald will be missed by a wide circle of friends, who will remember him with warm affection, and cherish the many fond memories of the good times shared with him and with Roberta.
