Basil and Verna Hewson

I want to take this time to thank all the people who have surrounded us with their comfort during the recent tragedy that happened to us. It is probably the first time in my life that I have felt the full effects of being victimized, and I suppose in that respect I have been lucky. The many, many people who have supported us with gifts of money, food and encouragement, have strengthened my faith in the goodness of human nature. I have never before had the opportunity to personally experience the blanket of kindness and concern that has covered us since the day that some sick individual, set fire to our hopes and dreams. I thank you all on behalf of my husband, myself and my children, for the warmth that has penetrated our shock and kept us going.

Debbie Antonopoulos

We wish to express our grateful love to our family for the 50th Anniversary Party held at our home on Aug. 24th. Many thanks to all friends and relatives from far and near who attended, sent flowers, many beautiful cards, gifts and phone calls. Our fond memories that day will live forever in our hearts.

Bert and Norma Crawford

# Two road accidents claim three lives

The first two fatal road accidents this year in the territory covered by the Huntingdon Surete du Quebec happened both in the same day, on the same road, in the same sector.

Both accidents occurred September 6 on Rte. 202; the first one was in Havelock municipality and the second one was in Franklin municipality. Three people lost their lives.

The first accident occurred in front of #242 in Havelock. A vehicle with two passengers crashed and caught fire. The 1990 Toyota was driven by Daniel Haughton, 19, of Sherrington. His passenger was Robert Dulude, 17, of Hemmingford. Both died at the scene. Huntingdon officers Sandra Hippolyte and Charles Birs investigated this accident which occurred around 2:30 p.m.
