The late Katharine Moreau

The Late Katharine Moreau — 1933 — 1991

Katharine Moreau (nee Allman) was born in Montreal on 23 November 1933.

She was the well-loved daughter of the late Ben & Kathleen Allman.

The family moved to Nitro around 1942, during the war years.

She was a graduate of St. Joan of Arc School in Nitro.

Katharine had a very happy, but quiet and unassuming personality, and made many life-long friendships.

Following her graduation she became an office employee of Dominion Textiles in Valleyfield.

In 1955, at the age of twenty-two, she married Pierre Yves Moreau, of Scott Junction in Dorchester County, but who at that time was an employee of Canadian Arsenals Limited in Nitro.

The couple lived in Nitro for a few years before taking up residence in Valleyfield.

Theirs was truly an ideally happy marriage, and over the years they raised five children: Karen, Janet, Joanne, Michael and Patrick...

Six years ago Katharine developed a malignant tumor and underwent an operation.

It was thought at the time that the operation was very successful, but sadly, two years ago the cancer again began to activate.

Despite her valiant and courageous battle to overcome the condition, her life came to an end on September 1991 at Le Centre Hospitalier de Valleyfield, as quietly and gently as she had lived, leaving her sorrowing family and many friends to mourn her passing.

The funeral was held at 11 a.m. on September 21, 1991 at St. Eugene Church, Valleyfield, and was well attended by many friends along with her family members.

She was laid to rest in the Valleyfield Catholic Cemetery.

The Valleyfield Community along with many friends extends deepest sympathy to her sorrowing family.

Her beloved husband Pierre; Her loving children, Karen, Janet (Paul); Joanne (Gilbert); Michael (Joelle); and Patrick; her nine grandchildren, also her surviving brothers and sisters; Mary, Ian, Esther, Jean, Nelson and Jimmy. (She was pre-deceased by two brothers, Donald and Kenneth).

Katharine was a well-loved member of this Community and will be sadly missed by everyone.
