Through all these years  
Through their drums & guitars  
They brought beautiful music to our ears.  
But before they got to be big stars  
They decided to retire, to go their own ways  
But that kind of music still plays  
In the hearts of Rock 'n Roll fans.

There may be some new bands  
Trying to make a buck,  
We wish them good luck  
But it will never be the same  
Without the ones we knew under the name  
**ACE CADILLAC**  
Thank you Willie, Denis,  
Daniel and Mac.

For a lot of your fans  
and especially one

## IN MEMORIAM

**STEELE**, Harold - In memory of my husband, father and grandfather who passed away July 9, 1987.

Today I walk with you,  
Down through the years  
gone by,  
And though unseen, I feel you near,  
And always by my side;  
How could I not remember you.  
When at my every turn you  
Move among the shadows;  
Where the lamps of memory burn.  
Remembered always  
Rita

**STEELE**, Harold - In memory of our father and grandfather.

God saw you getting tired  
When a cure was not to be  
So he closed his arms around you  
And whispered come to me,  
You didn't deserve what you went through  
So he gave you rest  
God's garden must be beautiful  
He only keeps the best  
Your place no one can fill  
In life we loved you dearly  
In death we love you still.  
Always remembered by  
your children.

## IN MEMORIAM

**KNOX (LEWIS)**, Marjorie - Who passed away 2 years ago on June 29, 1990, so suddenly, it hurt to see you go, and God, please tell her, how we miss and love her so.

"Mom", there are so many things

We want to say

And that we miss you terribly

With each passing day

How do you begin to thank

A "Mom", who welcomed us in

With a cheery smile, and open arms

Was just one, of "Mom's", loving charms.

Sometimes we'd ring your old number

And how badly we wanted To hear your voice

Then we'd get a lump In our throat

And tears, rolled down, felt moist.

Your whole life

You dedicated yourself to your family

Always willingly to lend A helping hand

Anytime and in anyway, you can

"Mom" you taught us

What life was all about

Loving and caring

And sometimes going without

You taught us right from wrong

And to apologize for our mistakes

Always recognizing the good in us

And what a difference a smile could make.

"Mom", How very proud of you, we are

When in speaking or thinking of you

Although our hearts may be breaking

A smile, will always shine through.

Your children, were, your life

And your grandchildren meant even more

As some of us, would be leaving

There were just as many entering your door

There wasn't a day that passed by

Without sharing coffee, tea, or a great big Hi!

"Mom", life is empty without you

We are doing our best to get by

And although this poem hurts to write it.

Somehow we feel a little bit better inside.

Forever remembered with Eternal Love, husband Hartley, daughters - Bev, Connie, MaryAnn, sons - Bob, Cliff, Gerald, Hartley Jr., Jimmy.
