IN MEMORIAM

McCRACKEN, Harold - In loving memory of a dear husband who passed away Nov. 5th, 1983

Memory drifts to scenes long past.

Time rolls on but memories last.

Sunshine passes, shadows fall.

Love's remembrance out lasts all.

Always remembered and sadly missed by Dorothy.

IN MEMORIAM

FARQUHAR, Jerry - In loving memory of a dear father and husband who died Nov. 3, 1985.

If tears could make a stairway

And memories make a lane

We'd gladly walk to Heaven

And bring you back again

They say memories are golden

Maybe that is true

But we didn't want just memories

We also wanted you

We love you and miss you.

Laurie, Mary, Wendy

LAMB, Ethel J. - In loving memory of our mother who passed away November 9th, 1989.

You lived your life for those you loved and those you left remember.

Sadly missed by your family

LEBLANC, James Lester - A loving memory of my dear husband and father, who left us the 9th of Nov. 1989.

We learned from the tears, we cried that you'll never be coming back to us

But all I know we're both standing here and there alone.

We know your hands are resting now for all the work you've done on earth.

Your worries are all over now.

All we have are memories And your picture in a frame.

Our hearts still ache with sadness

Since you left us three years ago.

We miss you and think of you every minute of the day

And we know that God is taking good care of you now.

And you are not alone.

Sadly missed by your wife Yvonne and daughter Marian, and son-in-law Clement

In honour of a 90-year-old -- Alice Vanhet Buchanan

On Sept. 6, Mary VanVlet of Lacolle held an afternoon-tea in honour of her sister, Alice VanVlet Buchanan's 90th birthday.

She invited all her nieces and nephews with their spouses. One of the highlights of the occasion was the presence of her nieces, Pat and Zaran Heuson with their husbands. They surprises and pleased everyone by driving all the way from Toronto for the party.

Altogether, there were 28 relatives and friends who gathered at Mary's house for this very Special Occasion. Also present was her youngest and only remaining brother, Dr. Jonathan VanVlet, a retired dentist.

Alice came into the world on Sept. 8, 1902, at Pine Knoll Farm in Buctonville, Que. For the last 3 years she has lived in The Griffith - McConnell Residence in Côte-St-Luc.

She took her Elementary schooling at the now demolished school on VanVlet St. in Lacolle and completed her high school at Huntingdon Academy in 1921. She then

studied Household Science at Macdonald College before taking a Business Course at Sir George Williams College, now called Concordia. She worked at Shawinigan Power Corporation in Montreal where she met Glen Buchanan of Ealing, England, whom she married and they had one child, June, both of whom predeceased her. She has, however, 3 grandchildren and several great-grandchildren.

Alice is still very active and has only recently had to resort to a hearing aid. She loves to tell amusing anecdotes and she can play bridge with the best of them. She will also take on anyone at scrabble—and usually win! Needless to say, she is very popular at the Residence.

We wish her continued health and happiness.
