Edith, Esther, Lois, Dorothy, Alfred, Robert and families

MAITHER, Elizabeth - In memory of Elizabeth Maither who passed away March 4, 1992.

My dear one is no longer a part of my daily life.

No longer faces illness in this world of pain and strife.

No longer hears me speaking but is still my very own.

For warm memories surround me and I never feel alone.

God comforts, gives me courage to face my challenges each day;

He gives sustaining strength and takes the pain of loss away.

Life, I know, is eternal and I find comfort in my prayers, in knowing that my loved one's Soul is with the "Man Upstairs".

Sadly missed by your husband, daughter and family

Havelock couple fêted after 65 years of marriage

by Darleen Sabetta
Franklin Correspondent

Just married? Hardly. Jimmy and Margaret (Buchanan) Allen have been happily married for 65 years and celebrated this special anniversary in their home on Route 202 in Havelock February 18.

Margaret and Jimmy moved into the farmhouse on Route 202 following their wedding on February 18, 1928 and are still residing in the same house. Jimmy farmed and Margaret says she was never idle with four kids to raise: Dora (Bonhomme), Ernest, Bert and Harold.

The house has also been where their 14 grandchildren could come to play on the large front lawn, and later, Margaret and Jimmy welcomed seven great-grandchildren into their growing family.

Jimmy feels that the weather on the day of their wedding was very much like

Jimmy and Margaret Allen on their wedding day, 65 years ago.

it was this year, there was about the same amount of snow in the fields, but not quite as cold.

Margaret states that when

they got married all those years ago the future seemed so distant, now when she looks back, it doesn't seem very distant at all.
