At this time we wish to thank all those who so generously gave of their time and expertise to help us on March 23 and each of the days that followed. Our own Hinchinbrooke firemen and the Mutual Aid System deserve high praise. We have never seen a better organized group of men. Thanks to all those firemen from Huntingdon, Godmanchester, Ormstown, Franklin, Ste-Barbe, St-Anicet, St-Louis, and St-Etienne who helped pour nearly 500,000 gallons of water on our barn. Thanks too to Rick Wattie and all the truckers who organized and found places and feed for all our cattle; to the Ormstown Veterinary Clinic for their on-the-site treatment and their many follow-ups after the fire; to the farmers who housed and are still housing our cattle; to our good neighbours, friends, and relatives who have provided water for the house, food, moral support, and many other acts of kindness all along the way. We live in a wonderful part of the world. Thank you all.
