## Former V'field resident dies in Ontario

Many old friends and acquaintances of the Valleyfield and Nitro areas especially, will be saddened to learn of the death of Mary Phené.

Mary, who was the beloved wife of Bill Phené, died on Tuesday, Aug. 3, at her home in Sandy Acres, Stroud, Ont. after a short illness.

The funeral service was held in Stroud, on Friday Aug. 6.

Mary and her husband Bill came to Nitro in 1950, and later, in 1966, they moved to Valleyfield, where their four children attended school.

Bill was employed as a Chemical Engineer, at Canadian Industries Ltd. and then at Expro in Nitro.

Just two short years ago, in September 1991, the couple decided to leave their home and friends and move to Stroud, Ont. for what they hoped would be a happy retirement home.

Deepest sympathy is extended to her beloved husband, Bill at Sandy Acres; their three daughters, Nancy, (Mrs. Ross Harper), of Calgary; Carole, (Dr. John McLeod), of P.E.I. and Jeanne, Lorne Cowan, of Calgary; also to their son George and his family, of Levack, Que.

SYLVIE

You are no longer with us. You have left for a better world where there is no more fear, anguish or suffering, no more wickedness (no more sore back and knees). Where love and peace reign forever and where you will eternally be. You left as fast as you lived. You surprised us all. Little by little, we are understanding without sometimes really accepting the circumstances, but life is like that. When you were among us, you made us laugh and cry, now we are left with all the fond memories of you. Our fears for you are calmed, you will live happily for eternity. Help us, in our everyday life, to remain united to love and to understand the reason for these happenings. We would love to have kept you after the tragic accident, but that was selfish on our part, because you would have stayed only for us, and we feel you would not have accepted the conditions in which you would have had to live. We console ourselves in saying that it is probably better this way.

We say "au revoir". One day we will be reunited.

"We will always love you". Thanks to all our relatives and friends who supported us through this ordeal. All was greatly appreciated.

The Chartrand Family, your mother, father, sisters, brother (sister-in-law and brothers-in-law) your little nieces and nephews.
