CARD OF THANKS

I would like to thank all my good friends and neighbors, also my family members for the many Get Well wishes, cards, gifts, visits and other help I received during my recent lengthy stay in hospital following another hip replacement operation, last Nov. 30.

I would like you all to know how much I appreciated your many kindnesses.

I also wish to extend a special thanks to Dr. Antoine Gaspard who performed the surgery. An excellent job I might add!

Also special thanks to Dr. Marcel Dumaine, and all the staff at the Haut St. Laurent Rehabilitation Centre, in Valleyfield, who, because of the excellent care I received made my stay there so comfortable and pleasant, and aided my recovery. Almost a home-away-from-home atmosphere!

Elsie Melanson

We would like to thank all those who showed us marks of sympathy following the death of Mrs. Wilfrid Lussier, on February 9, 1995, either by cards, flowers, mass offerings, visits to the parlor or attendance at the funeral. Thanks to the personnel of Barrie Memorial Hospital and to the Centre du Haut St-Laurent in Ormstown. Thank you also to Francine and Alain Trepanier.
