DENHAM, Rosamond (Rossie) of Garden City passed away peacefully at 103 on March 29, 1996. The daughter of the late James and Mary Cain Denham of Rockburn. Born in Salem Oregon, Aug. 10, 1892 where her parents went to live during the gold rush days. She returned to Rockburn when she was 5 years old. Predeceased by 11 brothers and sisters, a step brother and 2 step sisters. She is survived by 2 nieces, Ruth Denham of West Spring, Ma. and Lolita Leijouflecht of California. Interment will be later in the spring.

Rossie was a unique person, and inspiration to anyone fortunate enough to have known her. She was full of life, and amused her friends for hours with stories of her family and childhood. Hard work was no stranger to Rossie who ran the family farm for 20 years after the death of her brother. She was an avid gardener until she was 100 years old and loved working in the outdoors. After retiring, she spent her time traveling back to her "roots" in Salem, renewing ties, and meeting friends and family that remained on the West Coast. The highlight of her travel was Expo '67 which she thoroughly enjoyed making about 20 trips during it's operation.

Music was also a great love of Rossie's, and in her younger days she played piano, along with her brothers, who all played instruments in their own little orchestra in the evenings, under the watchful eye of their father who would sit listening reminding them to "play the right notes".

Rossie's life was full of purpose, her smile and laughter lifted the hearts of everyone who came in contact with her. Her acceptance of life, her concern for her fellow man, her wisdom and kindness will be greatly missed.

DINEEN, Leo

In loving memory of a dear father who passed away on April 8, 1973.

*You still live in the hearts

family you left behind.*
