## Valleyfield funeral held for F. Amos

The Valleyfield community was saddened by the unexpected death of Frank Amos, on April 1, 1996, at the Valleyfield Hospital after a short illness. He was 75.

The funeral service was held April 13 at St. Mark's Anglican Church, Valleyfield, with Fr. Ed Majka officiating.

Many friends attended and offered condolences to the bereaved family. His remains were laid to rest in the Valleyfield Protestant Cemetery.

Frank was born in Valleyfield on November 5, 1920, the loving son of the late Mr. and Mrs. George Amos. He attended the Gault Institute along with his siblings.

He worked at Dominion Textiles and later as a laboratory technician at C.I.L. in Nitro. He later moved to Allied Chemicals in Valleyfield, until he retired.

He remained active, enjoying curling, and was very involved with the Seniors group. He also enjoyed a good game of golf.

About six years ago, after a fall which damaged a hip, he had to forgo these activities, but he continued to be involved with curling from the sidelines!

The community along with many friends extends deepest sympathy to his remaining family members: brother Bertram (Jean); sisters Dorothy, Elizabeth (Gordon), Charlotte, Millicent, Iris and Audrey (William); and nieces and nephews.
