## CARD OF THANKS

The kind expressions of concern and best wishes - be they cards, phone calls, visits, prayers, acts of kindness, goodies - which were given and shown to me during my recent hospital stay have reinforced what I've long believed, namely, this area has kind people. I have been deeply touched by many and wish to express my sincere thanks to all who have helped me, one way or another. Special thanks to Drs. Gaspard and Lemieux along with their staffs in Valleyfield and Ormstown. You are in my prayers. God bless.

Lucilla Ballada

My sincere thank you to Dr. Lemieux, Dr. Aikin, and Dr. Seymour, of the Montreal General Hospital to the nurses and staff of the eighteenth floor for their excellent care - to my family, relatives, friends and neighbors, for their visits, cards, gifts and telephone calls. While I was in the hospital and after I came home.
