IN MEMORIAM

DeREPENTIGNY GALIPEAU, Bernadette

In memory of our dear mother who left us March 19, 1997.

When the good Lord was creating Mothers, He was into His sixth day of "overtime" when the angel appeared and said: "You're doing a lot of fiddling around on this one". And the Lord said: "Have you read the spec on this order? She has to be completely washable but not plastic, have 180 moveable parts - all replaceable - run on cold black coffee and leftovers, have a lap that disappears when she stands up... a kiss that can cure anything from broken leg to a disappointed love affair... and she should have six pairs of hands.

This angel shook her head slowly and then said six pairs of hands!... No way! It's not the hands that are causing me the problems replied the Lord. It's the three pairs of eyes that Mothers have to have. "One pair that sees through closed doors when she asks "What are you kids doing in there?" - when she already knows. Another on the back of her head that sees what she shouldn't but what she has to know and, of course, the ones in front that can look at a child when he goes up and say. "I understand and I love you without so much as uttering a word."

"Lord" said the angel touching His sleeve gently "go to bed, tomorrow is another... I can't said the Lord "I'm so close to creating someone so close to myself. Already I have one who can heal herself when she is sick, feed a family of nine on one pound of hamburger and get a nine year old to stand under the shower when he really doesn't want to." The angel circled the model of the mother very slowly, "it's so soft" she sighed.

"But tough" said the Lord excitedly "You cannot imagine what this Mother can endure." "Can it think?" "Not only think, but it can reason and compromise" said the Creator. The angel went over and ran her finger across the cheek. "There's a leak" she pronounced "It's not a leak", said the Lord, "it's a tear". "What's it for?" "It's for joy, sadness, pain, disappointment, loneliness and pride" "You are a genius" said the angel The Lord looked somber - "I didn't put it there!"

So sorry for the tears Mom, we love you and miss you

Your children

DINEEN, Leo M. - In loving memory of our Dad, who passed away 24 years ago today.

*Gone are the days we used to share.
But in our hearts you are always there.*
