

BIRTHS & DEATHS

CARD OF THANKS, IN MEMORIAMS, ENGAGEMENTS.

BORN

NESS - (We have changed the mold). Larry, Cecile, Eric, Jason, Andrew and Robert happily announce the arrival of Keesha Megan on April 25. Proud grandparents are Robert E. Ness of Howick and Willie and Dini Antink of Hatley. A great-grandchild for Sally Summerton and Hazel Ness of Ormstown.

IN MEMORIAM

REDDICK, Ronald - In loving memory of Ronald Reddick who passed away suddenly on May 4, 1995 I miss you a "little". I guess you could say... a little too much; a little too often; and a little more every day.
Ronna Reddick

CARD OF THANKS

Thank you to those who planned our 25th anniversary party and all who attended and to those who have sent cards and their best wishes. We truly appreciate your thoughtfulness in helping make our 25th a memorable occasion.

Stephen & Edith Blair

I would like to thank the doctors, nurses and other staff members of the Barrie who took such good care of me during my recent stay in hospital. The many expressions of concern about my well being from fellow travellers, family and friends are all greatly appreciated. God bless one and all.

CARD OF THANKS

'Thank you for being there'

To Diane Legault Renaud
We are all going through a tough time
We've lost so much and more
In a short period of time
We've lost two parents that were so dear to us;
And the family wasn't strong enough
To pull through together
So it fell apart;
But you 'Diane' that endure so much more
Like: When you stood by "Mother's" last words
And last breath
Took other people's criticism
Your life shattered right there and then;
You fell apart when your heart broke to pieces
Deep inside;
So God helped you through it by giving you,
Courage, strength, faith and love
Because He thought like I thought
You are the kindness, goodhearted, gratifying
Person we know you are,
And most of all a best friend
Who's always there to help others no matter what
Maybe some people forgot what you've done
When you were there for them;
Well I know, I will never forget
For as long as I live, what kind of person
You really are;
My confident, friend, sister and sister-in-law.
P.S. I mean every word, from the bottom of my
heart. And keep in mind, when someone speaks the
truth; it hurts.

Love always
Carl & Linda Legault
