IN MEMORIAM

GILMORE, Lyle - In loving memory of a very dear brother who passed from mortal sight recently. *I would like to say to all who appreciated his humble contribution to our society: He is not dead, for his life is in, and of spirit God. Jesus Christ proved this for us when he restored Lazarus to life after his body had lain in the grave 4 days already. He also raised his own body on the third day after its burial. Let us all claim Lyle's immortal life in spirit, God.*

Ruby Gilmore

MacDONELL, Jason Alexander - In loving memory of our little son and brother, April 26, 1983.

*We know you're watching down on us,
From that bright star in the sky
That followed us home that night.
We always look for that bright star.
Your loving spirit still lives on.
You will always be in our hearts.*

Love you,
Mommy, Daddy, Lisa & Steven
XOXO

McCOLM, William (Eddie) - In loving memory of a dear husband, father, grandfather and great grandfather who left us on May 26, 1997. He was predeceased by two of his sons - Lloyd 1938-1959 and Dennis 1943-1966.

*Time may hide the sadness
Like a smile that hides the tears
But precious memories never fade
Despite the passing years.*

Lovingly remembered by his wife Rose and sons
Bill, Don & Paul

CARD OF THANKS

We wish to express our gratitude for everyone's help since the fire destroyed our home Monday evening, April 6. It's difficult to recall everything that happens when your life is stuck in fast-forward. The night of the fire, I remember seeing many firemen, neighbors, and friends salvaging what was possible from the fire. I was offered food, hot coffee and a pair of warm socks. I was given a sweater from someone who was shivering himself. Immediately following the fire, we had friends and neighbors bring food, washing clothes, cleaning up and organizing temporary living quarters. Sunday night April 19, we were invited to The Ruins Bar where I was presented a fire fund by very generous volunteers, a fire fund by an equally giving community. The offers to help hammer a house together continues to grow each day. We are grateful to live in such a community.

Thank you, Robert Ykema and family
