Albine and children

It's been a long 2 months but I can honestly say that things are looking better.

I got through my skin graft 3 1/2 weeks ago, about 70% took and I am hoping not to have another.

Doctors & Nurses at the Montreal Children's Hospital are all nice and so patient with me. I have a physiotherapist, a child life educator and a teacher helping me everyday and it's exciting.

I am able to sit up good and I'm starting to walk. I have a tricycle, so I ride it on the 7C-1 floor, that's fun.

I know it's been very frustrating for my parents and family but I understand that everyone has been helping so much; donations of money, food and gifts have been given to us. We can't believe that there are so many people wanting to help us, friends, family and people we do not even know.

Thanks to the Huntingdon and Ormstown ambulance technicians and the Barrie Memorial emergency staff for their prompt assistance.

I know people have been and are still praying for me, well, it just goes to show that prayers can be answered.

Thank you so very much to EVERYONE from the bottom of my heart.

We feel blessed to belong to a community that cares so much.

Ken, Viola Sutton honored on Diamond Wedding anniversary

Happy and smiling, Kenneth and Viola Sutton were honored at a reception marking their 60th wedding anniversary on Saturday afternoon Oct. 24.

Ken and Vi looked stunning as they greeted their guests in the gaily decorated basement of the Franklin United Church. As many friends and family gathered around them, visiting and reminiscing were enjoyed.

The Franklin U.C.W. catered a dainty lunch, including a pretty anniversary cake.

60 years ago

On November 2, 1938, Kenneth and Viola were united in Marriage at a quiet ceremony at the Russeltown United Church Manse by Rev. Stanley Beldin.

The happy couple left for a short honeymoon in Montreal, where they visited Florie and Dick Morrison. When they returned a reception was held at the home of the bride's parents, where friends and family were entertained by the music of Arnold and Marjorie Milne. Attendants were the bride's sister, Luella Stevenson Boyd, and the groom's cousin, Ross Carson.

Active in community

The Suttons farmed on the Stevenson sideroad from 1938 until 1975 when they built a new home on Rte. 209 near Franklin Centre.

They have devoted many tireless hours to church work and doing home renovations for folks in the community.

Mr. and Mrs. Ken Sutton.

Ken's great love of music and ability to play the violin has given him much pleasure, as he joins with the Franklin Ensemble for many musical events.

Visitors

The anniversary couple were delighted to have folks come from as far away as Toronto and Lennoxville and both sides of the border, to join them at this happy time.

85th birthday for E. Lindsay

Congratulations to Everett Lindsay who turned 85 on October 19.

He was pleasantly surprised as friends and family arrived at the home of Betty and Ernest Lindsay on Howard St. in Malone on Sunday, October 18, to help him celebrate his special day. The warm, sunny weather was enjoyed immensely as folks gathered on the Lindsay's porch and lawn to visit. Everett and his guests enjoyed a fabulous buffet meal and birthday cake.

Guests who traveled from a distance were George and Lyla Lindsay of Johnstown, Ont.; Joyce and Bill Lindsay

and Jason of Prescott; and Gordon and Brenda Lindsay of Brockville, Ont.

Everett was all smiles on this special day; he is enjoying good health and is doing well at Mary Jackson's residence in Huntingdon.
