A big "thank you" and sincere appreciation to Dr. Vantor and the Staff of the 3rd Floor of the Barrie Memorial Hospital for the TLC, patience and understanding that Donald Winter received while a patient there for three months. You have given him a second chance! To relatives, friends and neighbours thank you for your concern and telephone calls during his convalescence.

His Mom, sisters and brother

On behalf of Karen, Kristin, Louise Bennett, Judy and Bud Gilbert, Margaret and Allan James, and their families, we thank everyone for their support at the time of Liz Clark's death. A heartfelt thank you to Dr. Hortop, who is an extremely special doctor and to all of the staff at the Barrie Memorial Hospital, who are just exceptional. Thank you to the McGerrigle Funeral Home for their kindness, to Mrs. Kerr for the very warm service, and to Linda for being there and for taking part. Also a special thank you to Dawn Lang, Jean and Margaret Lawrence who was always there for Liz and who did so much after her death to make it easier for her family. Thank you to everyone, teachers, parents, friends and teenagers who dropped by the house with good wishes, cards, food, etc. and to all those who attended the memorial. To see that Liz and the girls were held in such esteem made it all easier. The lunch that was put on in the Ormstown Elementary School was so appreciated by all of us. Not only was it a delicious lunch but it was served with love and grace. It gave us time to reminisce and to bring to a partial close the life of one who was special to many of us. Liz wanted to be buried from the former United Church in her home town in the Townships. With the help of many friends and family we could make this last request possible. We were even able to have a piper give her a final salute by playing Amazing Grace on the bagpipes.

The family of the late Liz Clark
