### CARD OF THANKS

I would like to thank everyone who made my 100th birthday party such a memorable occasion! It was heartwarming to see so many family, neighbors and friends come to wish me "Happy Birthday". Thank-you so much, to each and everyone, who helped organize such a lovely afternoon. All was much appreciated including the delicious meal prepared by Beryl Myatt, the music by Claude Brisson, the beautifully decorated birthday cake from the staff of Centre d'Accueil, and the many birthday cards received, will be a reminder of such a special day.

Stanley Peddie

A special thank-you to everyone who helped to make our 40th Anniversary such a happy occasion. The flowers, cards, gifts and especially the visits with so many friends and neighbours, made May 30 a day to cherish and remember for a long time. Thanks again.

## *In Memory*

*In loving memory of a loving wife,  
mother and dear friend  
who passed away 6 years ago on  
June 10, 1993.*

## *Suzi Babanicos*

Six years ago, we had to part, with one we loved, with all our hearts. It was so hard, the shock severe, to part with one we loved so dear. How we wish, we could speak to you, to hear your voice, your laugh, and see you smile. To only hold you close for a little while. Such a special love that you and I shared, from the day we met, until the end of time. And now, beautiful memories are all we have left, of the one we loved and will never forget. A sadness still comes over us, tears in silence often flow. Deep in our hearts they will remain, Till God in his time unites us again.

*You are in our hearts today and always!  
Your loving husband John,  
loving children Asterios (Telly),  
Penelope (Penny).  
Your loving parents Steve and Poppy  
and family and friends.*
