### Obituary

## Havelock's Lloyd Sutton was cherished family man

On April 17, 1999, Lloyd Maurice Sutton died following a courageous battle with several debilitating illnesses.

Born in 1931, the third and youngest son, Lloyd grew up on his parents' dairy farm on Covey Hill and in 1959 he met and soon married Vera Barker. The couple then took over the farm, continuing the operation and apple orchard.

Lloyd and Vera had two daughters, Lori and Nola. His daughters remember the strength in their father's large hands when he repaired machinery and the gentleness in them when he took their hands into his on a walk to bring cows home for milking or on a trek to look for the wild garlic he loved and which grew in the bush at the back of the farm.

He was very much a family man and holidays were special times to him. He enjoyed the Christmas season especially, shopping for gifts with Vera and helping

to wrap them afterwards. Eventually, this tradition came to include two sons-in-law, Bob Carroll (Lori) and Bob Vaincourt (Nola), then his beloved grandchildren: Allyson, Mitchell, Daniel, Elaine, Jennifer and Victoria.

Lloyd appreciated music and learned to play the guitar by ear. He liked to sing and lent his voice to the Wesley Knox United Church choir.

His community was something else Lloyd cared for and he demonstrated that aspect by serving as a municipal councillor for Havelock for 10 years.

Lloyd and Vera continued to live on the property until January 1999 when the farm was sold and they moved into a smaller home in the village of Howick.

Lloyd will be sadly missed by his family and friends.
