Three killed in highway crashes

The weekend saw a total of three traffic deaths resulting from three separate accidents in the Chateauguay Valley.

Daniel Lalonde, 37, of Montreal was struck by another vehicle and killed early Saturday afternoon as he got out of his car, which was stopped along Rte. 205 near Ste-Martine.

Two hours later, at 2:40 p.m., a 66 year-old Montreal man died when his car struck a tree on the main street of St-Louis-de-Gonzague. Police say André Decelles may have suffered a heart attack at the wheel.

Shortly after 10 p.m. the same day, a passenger in a 1935 Ford truck was killed when the antique vehicle, driven by a 55 year-old man, left Rte. 202 between Herdman and Rockburn and hit a tree head-on. The victim was Pierrette Richer-Filion, 58, of St-Sébastien. Two sets of the Jaws of Life were called in to extricate the victims. Police said alcohol was not a factor in the single-vehicle accident, but the antique truck is being given a complete mechanical inspection to see if a defect could have caused the accident.

CARD OF THANKS

J.A.S. Girouard would like to thank all Mutual Aid firemen for their quick response to our call on July 27 and for their actions of getting the fire under control which saved the feed mill, leaving minimal damage. Once again, thanks for the great work.

We wish to thank Danny and Carole, Jeff and Julie for the lovely 40th Anniversary Party they gave us. We would also like to thank family and friends who attended, gave gifts and cards. All was very much appreciated.

Evelyn & Mac English

We would like to thank everyone who came to our wedding and the reception the next day. Also for the many wishes of a long life, good health and much happiness. The number of cards and gifts (although we asked you not to) were overwhelming. It was wonderful to get our families and friends together to renew old acquaintances and to make new ones. The grandchildren added another dimension to their grandparents wedding. Ruth has sent many thank-you notes but if we should have missed someone please excuse it to old age and a new relationship.

Ruth & Charles Petch

My sincere thanks to Dr. Geukjian, nurses and staff on the 2nd floor and the ICU of the Barrie Memorial Hospital, for the excellent care and kindness that was given me while a patient there. We are so fortunate to have the Barrie with such dedicated people. To my family and friends "thank-you" for the cards, visits, flowers and gifts. I appreciated everything so much.
