### IN MEMORIAM

**KAZULAK, Kevin Robert** - Aug. 26, 1998  
*God saw you were getting tired. So he put His arms around you and whispered "Come to me". We thought of you with love today, but that was nothing new. We thought of you yesterday and days before that too. We think of you in silence and often speak your name. All we have now are fond memories and your picture in a frame. Your memory is our keepsake with which we will never part. God has you in his keeping, we have you in our hearts. In life we loved you dearly, in death we love you still. In our hearts you hold a place that no one can ever fill. It broke our hearts to lose you, but you did not go alone. For part of us went with you the day God took you home.*
