*As time unfolds another year,
Memories keep you ever near
Silent thoughts of times together
Hold memories that will last forever.*

Sadly missed and lovingly remembered by Isabel and family

KNOX, Marjorie (Lewis) - In loving memory of my "Mom".

*My First Love
"My Mom"*

*From the very first time
I saw you
I knew then right
From the start
The love in your eyes
The love whispering from your lips
The love I felt beating within your heart.
I could not speak
But I heard you say
Those loving words
Every night and day.
I felt so safe
Within your loving arms
Snuggled so close and warm
Out of reach of any harm.
My Mother's Day wish
Had already come true
For God blessed me with many loving years -
"MOM" how I miss and I love YOU too. XO
Daughter - Beverley (Knox) Leblanc*
