Child killed in accident

A 10 year-old boy was killed Saturday when he was hit by a car while crossing the English River Road outside Howick.

Haut-St-Laurent police said Benoit English was playing with his brother in a field about 2 p.m. Saturday afternoon when both decided to cross the road. The first child crossed safely, but Ben was struck by a vehicle driven by a local woman as he ran across the pavement. Police said the driver had no chance to avoid the boy, who was taken by ambulance to Ormstown's Barrie Memorial Hospital where the death was confirmed.

The driver of the car was also taken to hospital where she was treated for severe shock.

Police said there would be no further investigation into the death which was purely accidental.
