Margaret Patenaude Iby

I would like to thank all my friends and neighbors who have expressed their best wishes and prayers for me during my recovery from the home invasion that occurred on November 4, 2002. Also words cannot express the thanks to the many Doctors and Nurses from The Barrie Memorial, Montreal General, The Neurological, and The Montreal Rehabilitation Hospitals who have been so kind to me. The numerous cards and letters as well as the frequent visits have helped me through this difficult time. I have had several setbacks with three brain operations due to hemorrhaging resulting from the blows to my head. I am looking forward to my release from rehab so I can continue with my life. If any one has information that would help police solve this case, please call Info-Crime Quebec at 1-800-711-1800. Your identity may be kept anonymous.
