**A TRIBUTE TO  
MAC McNAUGHTON  
MY GOOD FRIEND**

I feel sad as I sit here to-day  
It is hard to believe Mac has passed away  
I am sure he will be missed by his family  
and good friends too  
Because he was one of the nicest guys  
I ever knew  
Mac was a special guy always ready  
to give a hand  
He did not sit around just rubbing his palms  
I will miss my good friend as time goes on  
It sure is hard to have to say so long  
For you Mac heaven's gates are open wide  
Just waiting for you to step inside  
So in God's kingdom where you will be  
From sickness and pain you will always be free  
I hope someday we will meet again  
So for now I will say so long my friend  
A Sad Day for Everyone

## Suicide cause of auto accident

It turns out that the motorist who perished in a car accident in Godmanchester the morning of Sunday, July 13, committed suicide. Ronald McInnis of the SQ's Monteregie station confirmed to The Gleaner/La Source that, "after a police investigation, we must conclude that this was indeed a suicide."

Daniel Guertin, a 30-year-old Valleyfield resident, lost his life when he lost control of his car in a curve along route 138, four kilometres from

Huntingdon. The vehicle ran off the road violently and hit a Hydro-Quebec pole. The automobile caught fire immediately and the driver, alone in the car, had no chance to escape.

According to McInnis, the police report on the accident states that the driver, for unknown reasons, ran into the Hydro-Quebec pole before the fire

engulfed the car. A coroner has been asked to shed some light on this deadly accident.
