CARD OF THANKS

I would personally like to thank Mr. Norman Nadeau, town councillor for his help in presenting to the mayor and council my requests concerning the problem of the stagnant water in the field at the railroad track on Lake St., also a small section of sidewalk needed in front of my property. Mr. Nadeau always seems to have time to come and check out any complaints or concerns taxpayers in any area of Huntingdon have. Sadly, the problem of the field has not been completely resolved through no fault of Mr. Nadeau.
