IN MEMORIAM

ST-DENIS, Robert L. - In loving memory of a dear husband and father who passed away March 18, 1976.

Those special years will not return,
When we were all together,
But with the love that's in our hearts,
You will walk with us forever.

Sadly missed wife Jeannine & family

In loving memory

DEREPENTIGNY, Lucien, Bernadette, Richard, Bruno

After a while, you learn the subtle difference
Between holding a hand and chaining a soul,
And you learn that love doesn't mean leaning
And company doesn't mean security,
And you begin to learn that kisses aren't contracts
And presents aren't promises,
And you begin to accept your defeats
With your head up and your eyes open
With the grace of a woman, not the grief of a child,
And you learn to build all your roads on today
Because tomorrow's ground is too uncertain for plans.
And futures have a way of falling down in
midnight.
After a while, you learn
That even sunshine burns if you get too much.
So you plant your own garden and decorate your
own soul,
Instead of waiting for someone to bring you
flowers.
And you learn that you really can endure...
That you really are strong.
And you really do have worth.
And you learn and learn...

WITH EVERY GOODBYE YOU LEARN.

Missing you always
