We would like to thank our family and friends in joining us for a surprise supper, cards and gifts on the occasion of our 25th Wedding Anniversary, held at the Casa Venezia Restaurant in Ormstown. A big thank-you to George Antonopoulos and his staff for their excellent meal and service. A very special thank-you to our daughters, Christine and Natalie for planning this surprise celebration in our honor. These memories will be forever cherished.

Gilbert and Debbie (Duheme) Léger

On Friday, June 18, one of our chicken barns was destroyed by fire. Thanks to the fast action of the Ormstown Volunteer Fire Department and the flawless co-ordination of the Mutual Aid system, the damage was limited to a single building, and no person was hurt. The Valley's volunteer firefighters are truly second to none. On Saturday, June 26, over sixty of our family, friends and neighbours gathered to help us clean up. In one day, mounds of wreckage were untangled, packed into dumpsters or reduced to neat piles of ash and straw. To everyone who gave their support, both during and since the fire, through hard work, gifts of food and good wishes, we would like to express our sincerest thanks. We feel proud and privileged to be part of this community.

STEVE FINNEGAN

Gilles Serre has the pleasure to present his new associate, Steve Finnegan.

Steve started to work for me at the age of 14 years. Always interested in the funeral sector he undertook studies to become thanatologist at Rosemont Collège. During his training, he had work experience in different funeral parlours. When he got his degree, he came back among us as associate of Salons Gilles Serre inc.

From now, Steve will welcome you in my residences as funeral director, councillor and thanatologist, member of the corporation of thanatologists of Quebec.

On top of serving you with dedication at all our branches, he will be especially involved in St-Rémi, where he will live. Member of the Chamber of Commerce, he will take over my business.
