### CARD OF THANKS

Home Start would like to thank everyone who participated in the grand success of our Garage Sale. A huge thank you goes out to all those who have generously donated clothing and household articles. I would also like to thank the team of Une Affaire de Famille and the teachers and students of Centre Jean XXIII for their help in organizing our sale stock. Last but definitely not least I would like to thank the people of our community for coming and supporting our cause. All proceeds will go to benefit Home Start, a community organization that supports families with at least one child under the age of five, offering friendship and practical support in their homes. This has definitely proven to be a community event! Kathy Hersey of A.D.D.S. has agreed to accept the items not sold.

## Fatal accident in Hinchinbrooke

**Susanne J. Brown**

An Athelstan resident was killed late Friday night on the Ridge Road in Hinchinbrooke.

Heading west towards Athelstan, a Chevy Blazer, driven by Claude Billard, struck a grain silo on the property of Herb Larocque.

"The police were still investigating the accident when we left, but he went off the left hand side of the road and then it looks as if he overcorrected to get back on the right side of the road and ended up driving into the silo. To me, it looked like he had fallen asleep, says Hinchinbrooke Fire Chief Douglas Grant.
