IN MEMORIAM

RANKIN, Shirley - In loving memory of a wonderful Mom, Gran & G.G. who passed away on June 18, 2001.

*You gave us all you had to give,
However great or small,
But most of all, you gave us love,
Your greatest gift of all,
No love was more steadfast,
No heart more kind & true,
No Gran or Mom in all this world,
Was more precious than you.
A smile, a hug, a joke or two,
That's how we all remember you,
Death comes sometimes to let us know,
We love more dearly, than we show,
For love in death, lets us all see,
What love in life should always be.*

Forever loved & missed so very much,

Woman killed in

Saint-Stanislas-de-Kostka

A 32-year old woman died and a man suffered injuries in a head-on collision last Tuesday, June 7, on Route 201 in Saint-Stanislas-de-Kostka, about a kilometre from Route 236.

The tragedy occurred when the driver of a 1995 Ford Aspire vehicle swerved into the oncoming lane, for an unexplainable reason, according to the police. The vehicle then slammed into a 2003 Jeep Liberty that spun out of control.

The victim is Carole Miljour, of Saint-Louis-de-Gonzague. She was alone in her car. The driver of the other vehicle, a 44-year man, was taken to the regional hospital in Valleyfield for treatment.

The Sûreté du Québec of the Beauharnois-Salaberry MRC were called in to investigate the accident.

Thank You

Richard J. McGrath

Following the death of Richard J. McGrath on May 12, 2005, we wish to extend our heartfelt thanks to everyone for their kindness and support during the last 5 months of his life in the Barrie Memorial Hospital. Richard loved and appreciated the nurses, doctors, staff and the regular visits from Rev. John McPhadden. He certainly received excellent care, the best humanly possible, we thank you for that. A special thanks to Dr. Vandro for always being there for him over the years. Thanks to the Gimbels for being there for us and for visiting him faithfully in hospital for the past 5 months and to the Bigras, Laird & Vaillancourt families for all their help and support when we needed it. Thank you to Diane Morrison for the beautiful singing at the funeral and to everyone who attended the funeral and to everyone present who wore denim and overalls, our down-to-earth Richard would have loved that! Thanks to all our friends and family who helped out after the funeral at the hall. Thanks to everyone who gave us a call and sent us prayers and cards, thanks for your support. Our Richard, teacher and mentor to many, has passed on, but the legacy he has left with us remains an icon sketched in our minds forever... We will truly and sadly miss his presence in our lives. As he used to say every time he made an exit, "Bonjour tout le monde".
