My sincere thanks to all the doctors, nurses and staff of St. Mary's Hospital, the Lindsay Rehabilitation Hospital, and the 12th and 17th floors of the Montreal General Hospital for the wonderful care and attention I received while I was a patient there. Also, to my relatives and friends for gifts, cards, visits, phone calls, food brought in, transportation to and from the hospital, prayers and so many other acts of kindness and support of all of which helped me during my long and many hospital stays, and since my return home. Everything is much appreciated and will always be remembered.
