5th Anniversary Maurice Rodrigue

Time flies, but can not erase September 21, 2000, because an exceptional heart stopped beating.

It has been 5 years already since you have left. Your departure created a big emptiness, but your presence is still vivid in our heart. How would we like only one time to hold you in our arms and tell you how much we love you. The day will come when we will find us. We always think about you.

Your sister Denise and the Rodrigue family
