CARD OF THANKS

I wish to acknowledge with many thanks for the loving and dedicated care by the nurses, caregivers and staff at the Barrie Memorial Hospital and later at Centre d'Accueil, Ormstown for the late Donald Templeton. Also sincere thanks to Dr. Blonde for his excellent care of Donald over many years. I also want to thank my family, friends and neighbours for all their love and support. A special thank you to Christina Durnin for all her help, support and words of comfort; also to the bagpiper, Wanda Goundrey, who piped so beautifully both at the funeral and the cemetery. To the organist, Amy Tolhurst; to the ladies of Howick United Church for the lovely luncheon following the funeral and to the pallbearers (who were 6 of Donald's nephews). I deeply appreciate all the cards, visits, phone calls, memorial gifts, flowers and food. Please accept this as my personal thank you as everything was much appreciated.

His wife, Roberta Todd-Templeton

The family of the late Margaret Cameron wish to thank all those who sent cards, flowers and other expressions of condolences at the time of her recent passing. In particular, we wish to thank Dr. Blonde for his many years of care, Laura and Sabina for their kindness and compassion during her final days at the Barrie Memorial Hospital, Clara for the special care she gave, and the members of Zion United Church in Dundee for the reception they put on following the funeral. All was very much appreciated.

My sincere thanks to family and friends for remembering my 90th Birthday. All the flowers, cards, telephone calls, visits, gifts and dinners were deeply appreciated. Who says getting old is the pits? That is not true, it can be wonderful. Again thank you to all my friends for making my day so special.
