## Fatal car accident in Franklin

Patrice Laflamme (Translated by Sarah Rennie)

A teenager lost her life in a car accident on Wednesday around 4:50 p.m. on the rang des Savary in Franklin. The tragedy occurred when the young girl suddenly lost control of her car while on a straightaway. The car, which she had been driving heading East, collided at full force with a hydro pole before coming to a stop.

The only passenger in the car, 16-year-old Shirley Thivierge, a resident of Valleyfield, was transported by ambulance to the Barrie Memorial

Hospital where she was pronounced dead. She had absorbed much of the force of the collision as the car had run up against the hydro pole on the drivers side.

The Haut-Saint-Laurent detachment of the Sureté du Québec have officially opened an investigation into the accident, and the car was inspected on Monday. According to the police officers who responded to the accident, there were no signs of emergency braking or skid marks on the road.
