On December 4 the Stewart family home, for the past 176 years, was destroyed by fire. Our family, myself most specifically, wish to extend heartfelt thanks to all the firemen and women of Hinchinbrooke, Constable, Huntingdon, Godmanchester, Westville and Fort Covington who worked so hard to control the fire. No less important were the women who provided sandwiches and coffee so the firefighters could refuel and not miss a step. My family - old and new - neighbours, friends near and far, UCW, Red Cross and the people of Elgin saw to it that I had no end of offers of places to stay, clothing, and the many everyday things one takes so for granted. It is times like this I am so thankful to live in a small, rural community!

**RICE (MILNE), Jean** - In loving memory of a dear mother, grand and great grandma, and wife who left us December 12, 2002.

*It is five years now that we have lost you,  
And there's nothing about that we can do,  
We miss your voice and happy smile,  
And to be able to talk to you for awhile,  
But you were taken away from our life,  
And we lost a mother, grand and great-grandmother and wife,  
You are always with us every day,  
And this is how it will stay.*
