Cherished Memories

Sandra Miller O'Hara

Ten years have come and gone, but it feels like a lifetime ago, that you left our side. Your warm smile filled our thoughts with happiness, but your absence leaves a part of us empty inside.

We all think and miss you so much. We wonder why you had to go, but then realized your time had come, and your loving and caring soul was wanted by someone else.

You were a great mother, although we may not have said so enough. You were a great wife, supportive of your husband. Most of all, you were the best friend that anyone could ever have.

Love always her daughter and family
