Sybil Gruer

I had a wonderful, wonderful time playing my guitar and singing at Diane Carson's Big Jamboree. There were lots of musicians, just as good as Nashville. I don't have to go to Nashville to hear their music, we have them here in Canada. I know music. You know that I am a guitar player. I've been to Wheeling, West Virginia 2 times. I went to Nashville 8 times, 2 times by Air Canada to Fanfair. Also I was in the cockpit between the two pilots.
