CARD OF THANKS

Following the death of Jeanne Bohemen (Bazinot), we would like to extend our sincere thanks to Dr. Vandro and the doctors and nurses, in the emergency and on the Third Floor at the Barrie Memorial Hospital, for the care she received while she was a patient. Sincere thanks, also, to everyone who expressed their sympathy either by visits, phone calls, cards, mass cards, donations, food, gifts and attendance at the funeral. Special thanks to Father Tsito, Ormstown Choir, Sandra Long for lunch and Laliberté Funeral Home.

Adrien Bohemen & family

The family of the late Donald Fleury wish to express their sincere thanks to family and friends for their support and kindness in sympathy cards, donations, meals and visits received. Also to all the staff for the excellent care he received at the Huntingdon Hospital. A special thank-you to our CLSC in Huntingdon and Maria Nieuwenhof for the years of care, we could not have done it without your help. A very special thanks to Dr. John Hortop for the many years of excellent care and understanding he gave Don. Also to Kelly McCarthy for the loving care and time that she spent with her uncle Donald.

IN MEMORIAM

McNAUGHTON, Malcolm - In loving memory of a husband & father who passed away July 28, 2003.

*We won't forget the way you smiled,
The words you used to say,
The many things you did for us,
In your own loving way.
Of all that life has given us,
And all that's left to do,
We will never have a greater gift,
Than the years we spent with you.*

Forever in our hearts,
Gail, Malcolm & William

Man dies in accident at St. Louis de Gonzague

One man is dead and another seriously injured after an accident July 11 at approximately 10:30 p.m. on Du Pont Street near the intersection of North River Road in St. Louis de Gonzague. The victim, Jean Benoit Jr., an 18-year-old resident of Ormstown, was declared dead on scene. He was the front-seat passenger of a car driven by Sebastien Gendron, age 20, of St. Louis de Gonzague. He is in intensive care at a Montreal hospital.

It appears the driver lost control of his vehicle at Du Pont exit, then hit a Hydro-Quebec pole and several trees before ending up in a ditch. Speed is suspected to be a factor of the accident, however an investigation will determine the exact cause.
